TUSCANY

Around, harmonious wine, a true masterpiece of elegant and aristocratic tones. Made, as always, from Sangiovese grapes with the addition of small amounts of Cabernet Sauvignon, this year is probably its best ever. The color is a very intense and concentrated ruby, its fruity aromas are intense and elegant, with notes of raspberry and sour cherry against a light brush stroke of vanilla. On the palate, the wine reveals harmony unusual for a Sangiovese red, with no harshness and excellent length.
