*Castellina in Chianti. 92% Sangiovese, 4% Colorino, 4% Malvasia Nera.*

Mid crimson. Perfumed, flowery cherry nose with a hint of candyfloss. Lots of sweet cherry fruit on the palate and supple, tangy acidity. Well made. (WS)

*Castellina in Chianti. 90% Sangiovese, 5% Malvasia Nera, 3% Merlot, 2% Colorino.*

Lustrous mid ruby. Rather dusty nose with brooding fruit. Supple, concentrated fruit without enormous complexity and there are the first hints of tobacco leaf so this is developing; but sound, all in all. (WS)

*Castellina in Chianti. 90% Sangiovese, 10% Merlot.*

Maturing mid ruby. Cherry with hints of dried fruit. The palate is much more energetic with juicy cherry fruit, but the somewhat dry tannins on the finish don't do it any favours.
