"The more polished Tenuta Belguardo is a sleek cabernet sauvignon blended with 10% cabernet franc. It's cool and fresh when first poured, a blast of ripe plum and currant. The structure becomes more apparent with air, the rich flavors gripped by firm, mineral tannins. It finishes light, an echo of flavor that lasts. Elegant and composed, this will become graceful with time in the cellar, or decant a bottle now for seared duck breast."

"This is deep red in color, with rich ripe fruit and smoky, toasty oak. Full bodied, with supervelvety tannins and a long, rich finish. Balanced."
